dynamicuno@gmail.com: Hey, my computer is toast. Let me know if anything happens tonight
dynamicuno@gmail.com: I ordered a new one so it should be here soon and I will be around again
me: oic
me: sorry to hear it
me: also
me: what's up?
dynamicuno@gmail.com: Not a ton really. Well thats not true, but no more than usual
dynamicuno@gmail.com: You? Anything exciting?
me: lol
me: yeah
me: following HBGary, etc?
me: a bunch of profile pieces are being done on me now
me: and we've recruited a bunch of people
me: for both PM factions
dynamicuno@gmail.com: Yeah been following HBGary, thats been a massive coup for us
me: indeed it has
me: I'll tell you all about it later
dynamicuno@gmail.com: Ok wicked. Oh let me know the deal for April, its getting very close. NYC venues go quick
dynamicuno@gmail.com: I mean we can warehouse it but that often ends badly
dynamicuno@gmail.com: Or awesome
dynamicuno@gmail.com: But its hard to tell ahead of time
me: warehouse
me: do it
me: we're going to need it
me: this is going to be huge
me: we'll get money for it if necessary
dynamicuno@gmail.com: One of the best raves I have ever played was an abandoned megaclub we broke into
me: better yet
me: charge at door
me: percentage goes to Africa dark net program
dynamicuno@gmail.com: Oh yeah we can do that
dynamicuno@gmail.com: Open to public?
me: rest pays expenses and gives your guy whatever

me: yeah
dynamicuno@gmail.com: Ok
dynamicuno@gmail.com: Thats easy then
me: will probably be reporters too
me: lol
me: that'll be interesting
dynamicuno@gmail.com: lol yeah
dynamicuno@gmail.com: Fucking nat'l geo was at the rave this past weekend
dynamicuno@gmail.com: Just our luck, itwas one of the sketchy raves. The promoter got arrested two days later
dynamicuno@gmail.com: Such is rave lol
me: lol
me: so what happens at skechy rave, promoters sell stuff
me: ?
me: or does shit just get wacky?
dynamicuno@gmail.com: Eh, djs dont get paid, gear doesnt work, promoter sells meth to people at the door, etc
dynamicuno@gmail.com: Stereotypes live on
dynamicuno@gmail.com: I mean there are drugs at all of them but there are drugs at frat parties
me: yep
dynamicuno@gmail.com: i just hope nothing too awful got caught on film
me: lol
dynamicuno@gmail.com: But oh well. If we go back underground, so be it
me: speaking of which
me: we're going to have to be ready to record at that party
me: because
me: basically a large portion of movement leadership will be there
me: and drug use would be good excuse to send in undercovers as they do sometimes to just regular parties up there
me: in Brooklyn, anyway
me: also need sign on the door
me: saying no government agents allowed in without identifying themselves
me: and will have one of our lawyers there
dynamicuno@gmail.com: Wont work. Thats a myth.
dynamicuno@gmail.com: They can still go in undercover
me: I know
me: just putting it up anyway
me: I know
dynamicuno@gmail.com: You want full video recording?
me: but putting in writing is helpful
me: I don't know yet

dynamicuno@gmail.com: Sure, wont hurt
me: I mean, it might have stuff recorded anyway
me: since Rolling Stone and others are covering whole week
me: so, expect press
dynamicuno@gmail.com: Yeah
dynamicuno@gmail.com: Who is putting together the daytime stuff?
dynamicuno@gmail.com: Like staging and shit for the speakers
me: Penley's people
me: they're used to it
me: or I'll talk to Gregg
dynamicuno@gmail.com: Ok great
dynamicuno@gmail.com: Yeah I will lock down a venue this weekend then. What kind of capacity you think?
dynamicuno@gmail.com: we could get club exit til 5 AM for a few grand
dynamicuno@gmail.com: Charge 20 a pop, use local DJs and some headliners I know to keep costs down
me: beautiful
me: we can get somebody to invest
me: or whatever
dynamicuno@gmail.com: Email me the address where the rally is
me: City Hall
me: lol
me: the steps
dynamicuno@gmail.com: Yeah, that would be nice, I am invested in 4 events already right now and a wedding lol
dynamicuno@gmail.com: So another investor would be nice
dynamicuno@gmail.com: always better to spend other peoples money
dynamicuno@gmail.com: I am a socialist for a reason
me: lol k
me: luckily we've got some rich socialist contacts
dynamicuno@gmail.com: Alright, check on that, wouldnt need much and they would likely make a profit on it
dynamicuno@gmail.com: I will scope out the venue situation this weekend.
dynamicuno@gmail.com: Ok, I need to use my phone as a gps now
dynamicuno@gmail.com: Talk to you later
me: word
